**RURAL HEALTH MATTERS.
THE STATE OF HOSPITALS & HEALTH SERVICES IN
THE TUMUT DISTRICT**

Dear Mr Iemma,

We, the citizens of Tumut, Batlow and district wish to bring to your attention our concern at the advanced state of decay of the hospitals at both Tumut and Batlow. Both hospitals are now unsafe and inefficient.

We therefore respectfully ask that your government give us a guaranteed commitment to commence construction of new hospitals at Tumut and Batlow without further delay and allocate the necessary funding immediately.

Enclosed is a copy of correspondence to Mr John Hatzistergos, Minister for Health for your information and consideration.

Yours faithfully

Mrs S J Swann & Mrs P Webb
